

Lesson 4 | Student sheets

CREATE YOUR OWN RECYCLE NOW ACTION PLAN

Now it's up to YOU. Decide what you're going to do to make a difference.

Who my plan is for:

REASONS TO RECYCLE

Think of some good reasons for recycling. Read these whenever you need reminding!

DECIDE WHAT YOU'LL DO NEXT

Use the ideas you've discussed in class, and visit www.recyclenow.com/schools

for more. Your ideas don't have to be unique, so share the best ones! Start with the waste 'hotspots' in your home or school, or when you know you're least likely to bother.

We've done one for you. Now add five steps that YOU'LL put in YOUR plan to recycle more at home, at school, and when out and about.

What I'll tackle	What I'll do	What gets in the way	What will help
Recycling rubbish from the bathroom bin.	Put another bin there, for things that can be recycled.	My family aren't sure what can go in it.	Stick a list on top to tell them. Set an example myself. Check the bin once a week.

SET A DEADLINE, REVIEW PROGRESS AND THEN CARRY ON!

I will have taken all these steps by

Remember to keep going, and keep recycling! You might even think of more things you can do.
